

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Printed Envelopes, 1995 Requirements

MEETING DATE: December 21, 1994

PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council approve the specifications and authorize advertisement for bids for the City's 1995 estimated requirements for printed envelopes.

BACKGROUND INFORMATION: During the course of business the City uses a variety of printed envelopes. Most significant in volume are those used to mail utility bills and return payments. Lesser quantities are used for regular departmental correspondence, accounts payable checks, and business licenses.

During 1994, the first year that printed envelopes were purchased on an annual contract, the City saved an estimated \$2,200, compared to purchases that were individually bid. We expect to see similar savings in 1995.

The specifications reflect estimated requirements for the calendar year 1995 (Part I), as well as specific size and printing requirements for each type of envelope (Part II).

FUNDING: Estimated cost: \$9,500.00
Each department budgets annually for printing requirements, and funding for the purchase of envelopes is included in those budgeted amounts.

BID OPENING DATE: January 17, 1995
